

Section I \longleftrightarrow Parental consent and signed receipt of home computer

1. Home Computer

Parental permission is required to receive the home computer system. Technical support will be provided by _____ (The Organization) for 90 days from the original date of receipt. It may be performed by a technician on staff with the organization or by a local company or consultant contracted by the organization to support program participants' home computers during the 90-day warranty period. Support will include labor and parts. Any personal computer requiring repair after the 90-day warranty is the responsibility of the parent.

Computers should be installed on a desk or table that is at least 25 inches deep by 26 inches wide with access to a normal 115-volt house electric outlet within 6 feet. A 6-foot power strip will be supplied. The room must have a telephone jack in order to connect to the Internet.
